December 9th 2014: Why Naturopaths Rock

Why Naturopaths Rock will feature Doctor of Naturopathy Jason Barker, who will explain how naturopaths provide real health care to their patients. He will discuss the education he received and how this knowledge and training enable him to understand the root causes of disease and then address them by working with the body to restore balance and health. He will contrast the naturopathic approach with that of conventional medical doctors, who rely heavily on pharmaceuticals and surgeries to treat symptoms only. Dr. Barker will focus on the root causes and natural treatments for diabetes, which i
