**January 5th 2015: The FDA, CDC and vaccines:
Who do they work for?**

Recently, the US Centers for Disease Control has been mounting a propaganda campaign to ensure that everyone gets their flu vaccine. At the same time, we hear from multiple sources that this year's flu vaccine is virtually useless in preventing any disease, so why the big push? Within the past few months, the CDC has been exposed by whistle-blowers as having lied for the past DOZEN years about vaccines being unconnected with autism, thus exposing millions of children to this devastating and escalating disease. We'll explore why this might be the case. The FDA, meanwhile, has been doing i
