For most individuals, their residence and their 401(k)'s are the largest all of their assets. Making smart choices about purchasing their home will have a long term impact on building wealth. Since on average, Women live longer than men, the home may be one of the assets used for Long Term care as we discussed several weeks ago with David Cook, Our guest, Daffney (D.A.) Henry will discuss many of the considerations to consider when making such a large purchase.
