April 20th 2015: The Strategic CFO: Re-imagining Finance

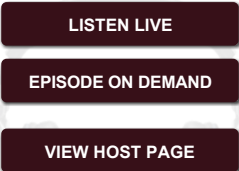

The buzz: The CFO. The concept of the strategic CFO – responsible for more than just numbers – is not new. But now there's a new technology-driven dynamic in Finance, a nexus of powerful forces driven by in-memory, cloud, mobile, and social. It's not only changing how CFOs can operate, it also gives them the potential to re-imagine the processes underpinning the Finance function, as well as their role as information steward and advisor to the business. How exactly is this impacting the way CFOs are evolving the Finance function and their role within the business? The experts speak. John Steele

David Dixon

David Dixon is a regularly featured speaker at ASUG and SAPinsider conferences globally and co-authored several books with SAP and industry thought leaders as well as numerous sponsored white papers. David started his career in 1995 as an SAP Financials consultant with SAP. He was an SAP Platinum Consultant before he left SAP in 1999 to help start up an SAP data warehousing and analytics consultancy that was acquired in 2004, which in turn, was acquired in 2007 for the SAP practice and culture that David built. Thereafter, David built overnight SAP practices at other companies before co-founding TruQua and joining forces with IBM through acquisition in 2020. David is not only an executive bu
