**November 19th 2015: Translating Info into Behavior: the Results**

What does the world of work hold in common—no matter the setting? This week at The Visual Workplace, your host and visual expert, Gwendolyn Galsworth, shares the answer. The single and fundamental transaction deployed a million times a day in every workplace is: the translation of vital information into behavior. In recognizing this, we understand workplace visuality's shining purpose—to imbed information into the living landscape of work in order to imbed behavior: human behavior, machine behavior, and company behavior. This week that true purpose is front and center—along with its impact. Th
