**January 5th 2016: Relationship Development  
Intervention, what it is, how it can help  
individuals with developmental delays, and tips  
to get you started**

In this episode host, Brooke Wagner, interviews Dr. Sheely, licensed psychologist and co-founder of RDIconnect, and RDI Consultant and BCBA Jackie Zaldua to explore and learn more about Relationship Development Intervention and how it is utilized to support individuals with developmental delays. An overview and history of the program will be discussed and include: case studies, real life examples, tips, and key concepts.

#### Featured Guests

##### Dr. Sheely

Dr. Sheely has been called the intervention genius. She has the ability to anticipate beginning points of therapy in difficult cases and patiently pursue them until it's time to move on. Dr. Sheely has an ability to encourage parents through depression over their children's disorders and anxiety they feel concerning the future.
