January 5th 2016: Why Women Love Strong Men

Today's men have received so many confusing messages about what a man should be, they are often bewildered. Women are frustrated with today's men who won't make decisions and are oblivious to problems that need their attention. Many men feel that women have lost respect for them. What can men do to regain love and respect? What can women do to change the situation? Elliott Katz, author of "Being the Strong Man a Woman Wants: Timeless Wisdom on Being a Man," shares insights on being a man that have withstood the test of time. Interestingly, the traits he learned about from fathers and other old

Featured Guest

Elliott Katz

Elliott Katz is a professional speechwriter and is the author of seven nonfiction books. After the end of a relationship, he sought to learn about being a man in a relationship. Books about marriage and relationships said little to him.
