February 4th 2016: The Power of Male Voices in Preventing Sexual Violence

In this episode, Jonathan Kalin, founder of Party With Consent, discusses his mission of inviting men and women in colleges across the nation to join him in preventing sexual violence. He considers the importance of creating consent and clarifying definitions of masculinity. Michael Paymar, co-founder of A Process of Change for Men Who Batter, author of Violent No More and film producer of With Impunity: Men and Gender Violence, considers the value of men's voices to counter the cultural messages that enable male domination and violence against women through domestic violence, rape, violent p
