February 25th 2016: Can I Pay In-State Tuition in Another State?: Tuition Reciprocity Agreements Part 1

It seems that every other day we get asked about the possibility of paying in-state tuition at an out-of-state college. There are so many myths surrounding this concept that it can start to feel like the whole thing is made up, but it is a real option. In part one of a multipart series that will explain these options in the US, we'll take a closer look at the Midwestern Higher Education Compact. Other segments will cover tips and tricks for using Naviance to navigate the college application process and answer listener questions on college admissions.
