**March 29th 2016: Beloved of the Universe I AM**

Daniel Sowelu and I will discuss and demonstrate how the ancient science of Astrology can support, assist and guide us to make peace with the light and dark within ourselves and our outer worlds so we can meet ourselves as The beloved, bound in sacred union with our souls calling and All That Is. Daniel will also offer guidance in how we can stay open to Life, trusting in its benevolence, as we consciously navigate, and balance and harmonise the energetic maze of 2016.
