March 30th 2016: Cleaning up Toxic Mining Tailings and Continuing Analysis on Gold and Silver

This episode Ellis speaks with gold and silver analyst Michael Ballanger, the advisory committee chairman of Stakeholder Gold (SRC) on the TSX Venture and SKHRF in the US) about market trends and their Ballarat Gold property in the Yukon. He'll talk with University of British Columbia professor Dr. Marcello Veiga about cleaning up toxic tailings resulting from artisanal mining etc. Ross Orr, president of Bactech Environmental trading as BAC on the Canadian Stock exchange and BCEFF in the US will offer up a solution to exactly these kinds of related environmental mining hazards. Yannis Tsitos,
