Can you improve your business on 30 minutes intervals? This is what Coach John Whitt does with his clients and he will share his concepts, tips and ideas with us this Tuesday April 05, 2016.

I cannot think of a better way to start the second quarter of 2016 to focus on.

When you review where you are today you can focus on what you accomplished in Q1 and what you learned so now as a new quarter comes by you can do small increments on many areas in order to improve continuously. This is what business improvement does and this is what we, as business performance coaches, do constantly.
