**Tuesday at 11 AM Pacific**  
**May 3rd 2016: Strategic Supply Chain Management: Tools and Impact**

Dave and Maureen discuss Dave's experience with supply chain optimization and talk about what leaders should be thinking about with regard to how effective supply chain management contributes to accomplishing overall organizational strategy. When done well it is cost effective and attracts limited attention. When done poorly, it damages company's reputations. Dave will share his experiences of strategic solutions and pitfalls.

- Topics include:
1. What role does supply chain play in business? In society?
  2. What trends are you seeing in supply chain work and how will
