August 16th 2016: Life Hacking with 'the architect'

Is it really possible to create a life that you love? How do you master your destiny? Successful technology entrepreneur and renowned personal development guru Greg Anderson talks about his philosophy -- and programs -- that enable anyone to reach their most treasured goals. Greg focuses on four critical life areas and uses easy-to-follow steps that anyone can adopt. Greg is known as 'the architect' and he will talk about his journey, personal development and how you can rebuild your life using some of his core life-hacking tools.

Featured Guest

Greg Anderson

Greg did not follow a conventional path into his career. After trying his hand at several different jobs early in his adult life, he decided that the technology space was for him.
