November 21st 2016: Closing the Technology Skills Gap: An Interview with John Qualls

In this episode, host Dave Goldberg welcomes John Qualls, President of Eleven Fifty Academy, a nonprofit organization focused on closing the nation's technology skills gap while creating a coding ecosystem that benefits individuals, employers, and communities. Join John and Dave to examine the fallout from high school graduation to college graduation, explore alternative Learning Paths and Programs, and discuss student debt and its impact on entrepreneurship.

Featured Guest

John Qualls

John Qualls currently serves as President of Eleven Fifty Academy. As President, John is responsible for leading the growth of the nonprofit organization from its current inception stage to a more mature organization capable of delivering on its mission to build an ecosystem of software development talent that financially benefits the individual, their employer, and their community.
