**January 3rd 2017: Financial Literacy and Habits - Part II**

Financial literacy is the education and understanding of various financial areas. Literacy helps individuals become self-sufficient so that they can achieve financial stability. Those who understand the subject should be able to answer several questions about real estate purchases and whether it an asset or a liability. So what are the behaviors and attitudes a person possesses about money that is applied to his or her daily life? What are the HABITS associated with financial literacy and real estate investing? Join Lori Wetzel as she discusses this exciting topic!
