**January 26th 2017: Back By Popular Demand:
Carol Ferris / Astrology**

The language of astrology describes the rhythms of time, the passages of light and dark. Astrology is based on the idea that not all times are like all other times, that each time is unique and knowable. And that all places or relationships are not like all other places or personal connections. Join renowned astrologer, Carol Ferris M.A for a discussion of how astrology illuminates this particular time we are living in right now. Learn how astrology can shed light on our personal natures and relationships.
