February 14th 2017: 'Joyful Success: What Happens When Culture and Accountability Meet'

Join us for a conversation with Cynthia Rancourt, CEO of Polymer Solutions Incorporated (PSI), named one of Virginia's Best Places to Work. PSI is an independent materials testing lab and strategic resource for the testing of polymers, plastics, metals, gases, and much more. The PSI team shares a passion for great science! The team is one that loves a great challenge and is curious in nature. The PSI company culture is fun and quirky—for example they recently had a Company BBQ where they raced remote control cars around a track designed to emulate the chemical structure of caffeine. The scient
