April 17th 2017: Rhino: Critical Patriotism with Ashwell Glasson

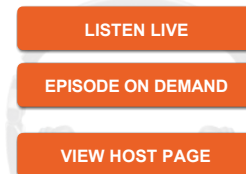

My guest Ashwell Glasson and I take a deep look into the disturbing headlines that South Africa has legalized trade in rhino horn. Today we delve deeply into variety of perspectives- from financial value to market value; industrialized farming to conservation-and how we will choose to translate 'value' of wildlife, and all life, beyond human desires and the dollar, into a belief system in support of critical earth functions and her inhabitants as a whole greater than sums of parts. The ruling to open trade in rhino horn has created deep grey areas, from incomplete guidelines to law enforcement
