May 30th 2017: Reinventing Your Company:
Partnerships and the Cloud

The buzz: “You can’t delegate Digital Transformation for your company...you and your executives have to own it!” (Barry Ross). Companies and their business partners around the world are racing to stay competitive and keep their customers buying. How? By creating a digital strategy and adopting innovative technologies to transform business models. How can your organization be first across the finish line? Look in places you haven’t looked before and work with a broader ecosystem in the cloud. The experts speak. Sana Salam, Sodales Solutions: “Life is really simple, but we insist on making it com
