Psych Up Live
Thursday at 11 AM Pacific
July 27th 2017: Fertility Challenges, Choices and Possibilities

The difficulty conceiving a child can pose physical and psychological challenges for women and men. The goal of this show is to help eliminate any stigma surrounding infertility and to empower women and men to learn about fertility. On this show, Dr. Julie Lamb, a board certified reproductive endocrinologist, author of over 50 peer-reviewed papers, infertility specialist at Pacific NW Fertility in Seattle and clinical faculty at the University of Washington, draws upon her expertise with state of the art technology and exceptional patient care to discuss fertility challenges, choices and possi
