The Business Elevation Show with Chris Cooper - Be More. Achieve More

Friday at 8 AM Pacific

August 04th 2017: High Performing Teams with Chris Cooper and John Jennings

High Performing Teams make the difference between success and failure. They make the difference between whether a company can adapt to the many threats, opportunities and challenges in today's modern world. During this interview host Chris Cooper will be interviewed by, and in deep discussion with employee engagement, leadership and team development expert John Jennings. Chris Cooper has over 25 years experience leading and developing UK and international teams. As the host of the Business Elevation show for almost 6 years he has also interviewed and gained insights from many tremendous team d

Chris Cooper

Chris has nearly 30 years of multi-functional business experience, working at senior levels with many brands such as Mars Inc, United Biscuits and Diageo, as well as founding new businesses. Today he supports the transition of businesses, leaders and teams in startups to major brands to elevated levels of performance. He has hosted the 'Business Elevation Show' on Voice America since 2011, building a massive network of global connections and an audience in over 50 countries. He speaks on topics such as 'Engagement Starts With You' 'Leading People' and his book 'The Power To Get Things Done (Whether You Feel Like It Or Not)' published by Penguin Random House USA). Chris is a fellow and former

John Jennings

John is an expert in employee engagement, culture change, bespoke customer service skills, and resolution of major operational issues. This is derived from over 34 years of operational and executive board-level experience in both the public and private sectors for organisations, including Prudential, Egg, Experian and Totemic as well as the international renowned Curve Theatre in Leicester. He has led global teams and studied employee engagement and retention techniques across different cultures. He regularly lectures and presents on the key competitive advantages that business leaders can gain by placing an employee centric approach at the heart of business strategy. A former Branch Chairma
