August 15th 2017: The Esteemed Dr. Gayle M. Randall, MD Discusses her Approach to Leaky Gut and Creating Health From The Inside Out

I will be talking about healing leaky gut and autoimmune disease as well as wellness from the inside out with the famed Dr. Gayle Madeleine Randall, who has 35 years of experience as a physician, scientist, and is a true medical visionary. She was Associate Professor of Medicine at UCLA when her interest in non-traditional forms of medicine inspired her to become proficient in numerous alternative healing modalities. Dr. Randall is certified in Internal, Integrative and Functional Medicine. She is also a Gastroenterologist and her practice focuses on optimizing the functioning of the body, par
