September 5th 2017: Freedom Alliance**

Through our Center for Sovereignty & Security, Freedom Alliance protects America's sovereignty, strengthens our national security and preserves constitutional government. Freedom Alliance challenges the United Nations and other global institutions which try to undermine the health of our Republic. We advocate for a strong national security and a military that is prepared to meet the challenges of an increasingly dangerous world. We are committed to restoring American pride and prestige at home and around the world.
