

Patricia Raskin

POSITIVE LIVING SHOW

The Patricia Raskin Show

Monday at 11 AM Pacific

September 18th 2017: Deirdre Hade William Arntz, Surprises/ Steven Manchester, Ashes

In the first half, Patricia interviews mystic Deirdre Hade, the founder of Radiance Journey, and physicist and filmmaker William Arntz, creator of "What the BLEEP do We Know!?" Together, they co-founded "The (not so) Little Book of Surprises," where they discuss how Surprises transform us, physically and emotionally. They provide the practical tools for accepting and creating surprise in your own life as well as give fun examples of how to disrupt your habits to surprise yourself to kindle a little magic and awe in your life. In the second half, Patricia interviews Steven Manchester, autho

Featured Guests

Deirdre Hade

Deirdre Hade began to see energy at a very early age, but she never understood why until her mother, poet Katherine Blumer Hade, was diagnosed with advanced breast cancer when Deirdre was sixteen. Together, the two women began developing a method of energy work they coined Radiance Healing, which led her mother to live thirteen years longer than expected. Since then, Deirdre's work has expanded into the development of a system of spiritual awakening and healing based on her depth of experience in the Kabbalah's Tree of Life. Her life's work, now renamed The Radiance Journey, is an inner energy practice of ancient wisdom traditions, meditation, and mindfulness on the qualities of divine lig

William Arntz

William Arntz started his professional career as a research laser physicist, working on "Star Wars" high energy lasers. He then moved on to software, writing "AutoSys"—an automated job control system currently in use by most Fortune 500 companies. He sold that company, retired, but then decided to make a film: creating, producing and directing What the BLEEP Do We Know!?, an exploration of spirituality, quantum physics, neurology and outrageous possibilities. The film and the companion book, with editions in over twenty languages, were international hits.
