September 14th 2017: Resilience

Dr. Connie leads a discussion on resilience, perseverance, and hope in the face of calamity and loss. In memory of September 11, 2001 and the recent devastation from natural disasters, she talks with a special guest on how to get tough without hardening our hearts in the process. Learn how to thrive post-tragedy and focus on the hope for a brighter future.

Featured Guest

Suzanne Giesemann

Suzanne Giesemann is an evidential medium who provides stunning evidence of life after death. A spiritual teacher and the author of eleven books, she is a former U.S. Navy Commander who served as a commanding officer, special assistant to the Chief of Naval Operations, and as aide to the Chairman of the Joint Chiefs of Staff. Suzanne's gift of communication with those on the other side has been recognized as highly credible by noted afterlife researchers. Whether in her books, her classes and workshops, or her one-on-one sessions, she brings messages of hope, healing, and love that go straight to the heart.
