House Calls
Thursday at 4 PM Pacific
September 21st 2017: Lead the Way

In this week's House Calls, Dr. Connie will dig into the qualities that differentiate great leaders from the mediocre. Can leadership be taught or are you just "born with it"? She will draw upon her experiences in the Navy, leading a medical unit, and observing the President of the United States and other world leaders. A special guest in studio will share experiences in leadership from the corporate world. Don't miss this exciting conversation!

Featured Guest

John Weber

Mr. Weber was the Chairman of Remy International, Inc., a leading worldwide manufacturer, re manufacturer and distributor of heavy duty systems, starters and alternators and hybrid technology products. In that role he led exit of the major shareholder, reconstructed the board, and ultimately sold the company to Borg Warner. Previously, Mr. Weber served as the President and CEO for Remy International, leading the company through restructuring and taking the company public in 2012. His turnaround efforts were recognized as "Turnaround of the Year" by the turnaround management association. He was recognized as an Entrepreneur of the Year (Midwest) by Ernst and Young. Mr. Weber earned an MBA
