September 28th 2017: Conventional Medicine and Life Force

Conventional medicine, also known as allopathic medicine or Western medicine, is highly effective in treating acute or life-threatening health conditions. Life force or authentic Qi based therapies are highly effective to prevent and heal chronic health conditions. In conventional medicine, cure is effected mainly by treating the signs and symptoms of the physical body's disease, whereas, in authentic Life force or Qi based medicine, the healing is performed by thoughts, emotions, conscious, subconscious, experiential memories of biological family lineage and past spiritual life as well as the
