October 3rd 2017: Leveraging Online Kajabi Platform To Build Thriving Brands

Many companies are facing a serious challenge in navigating the increased impact online platforms have to disrupt businesses - either enabling them or upending them. Kajabi is such a platform. During this interview, one of the founders, Travis Rosser and Maureen Metcalf discuss how Kajabi can be leveraged across a broad range of applications to support organizational and individual success. Kajabi offers a cost effective solution to building online training content that can be used to help companies connect and support clients, onboard employees, educate internal staff, educate clients and
