**October 12th 2017: Discussing the Impacts of the 2015 Nepal Earthquakes**

In April 2015 the world watched in horror as Nepal was decimated by a massive earthquake; an earthquake from which the country is still recovering. Listen to this week's show when we speak to Professor Meen Chhetri from Katmandu, Nepal, who will discuss the impacts of the earthquake and how the country responded - and how the Nepal's views on Disaster Management and Preparedness has changed. You'll even hear some surprising hurdles the country encountered that have hindered its progress to rebuild. Professor Chhetri will give us a first hand account of what happened and how the country
