Breaking Banks Fintech Thursday at 12 Noon Pacific October 05th 2017: ICO's are hot! Can they include more people in investing?

Since the first Initial Coin Offering in March 2017, ICO's have taken off as the latest greatest way to raise venture capital. ICO's offer exciting potential for financial inclusion. Current regulations can create a high threshold for participation in Venture Capital in attempts to protect from schemes, and from people losing their entire fortunes. ICO's go around this, and many have wondered if the ICO could be a new form of a Ponzi scheme. Those highly involved in ICOs vehemently disagree, and are looking at the ways that ICOs encourage a financial inclusion and openness that has never
