October 05th 2017: **Encore: Intuition on Demand**

Do you believe in intuition? Can you depend on your intuition kicking in when you need a quick and reliable answer to a question or some guidance when you have to make a big decision? Can you trust your intuition and know that you are not just making something up? You meet someone that may be your "soul mate" and wonder if it can be true. Can you believe it? You have a gut feeling that you can't trust a business deal, but you have no supporting evidence. What do you do? Lisa K. teaches people how to develop their intuition and to trust that it is reliable. She will explain the brain science b

### Featured Guest

#### Lisa K

Lisa K., Ph.D., is a teacher, author, and speaker specializing in intuition. Founder of Developing Your Intuition, Lisa teaches others how to control their intuition so they can use it when they want and on what they want. Lisa draw upon her background in psychobiology and metaphysics along with experience from years of teaching others. She holds degrees in Electrical Engineering from Columbia University, Psychobiology from the State University of New York, and a Ph.D. from the University of Metaphysical Sciences. Lisa is also certified in many energy healing modalities and intuitive arts. Lisa's work is frequently published in a variety of online magazines including The Huffington Post, I
