The Money Answers Show Monday at 12 Noon Pacific October 16th 2017: The Surprisingly Simple Power of Value Vesting with Gary Smith

Exactly what is value vesting and why should every investor be familiar with it? Author and economist Gary Smith joins host Jordan Goodman to talk about Value Vesting and Smith's new book Money Machine: The Surprisingly Simple Power of Value Vesting. Smith and Goodman talk about what value vesting is and what it isn't, how it's different than investing methods that try to time the market, and why value investors look at investments so differently than what most contemporary investment strategies recommend. Smith talks about why gold and collectibles are not investments that value investors tur
