**October 19th 2017:Encore: Are Capitalism and Democracy
the Same? Why Can't We Question Capitalism? Hear
Professor Richard Wolff, Who Says We Can and Should!**

In a world where 62 individuals own as much as half the world's population, where 1% of people own MORE than the other 99% combined, where for decades DuPont knowingly poisoned us by using a toxic, cancer-causing chemical, where since the 1990s Big Oil has been denying climate change while secretly preparing for it, where workers are told that a \$15/hour minimum wage is too much, where real wages are going down and money controls much of the media and the political system, don't you think it's time to ask if capitalism is working for US? We've been told that capitalism and democracy are the sa

Professor Richard Wolff

Richard D. Wolff is Professor of Economics Emeritus, University of Massachusetts, Amherst where he taught economics from 1973 to 2008. He is currently a Visiting Professor in the Graduate Program in International Affairs of the New School University, New York City. He also teaches classes regularly at the Brecht Forum in Manhattan. Earlier he taught economics at Yale University (1967-1969) and at the City College of the City University of New York (1969-1973). In 1994, he was a Visiting Professor of Economics at the University of Paris (France), I (Sorbonne). Professor Wolff was among the founders in 1988 of the new academic association, Association of Economic and Social Analysis (AESAs), an
