Featured Guest

Gina Bianchini

Gina Bianchini is the Founder & CEO of Mighty Networks and an expert on network effects businesses. Mighty Networks is a SaaS platform for creating your own network effects brands and businesses—replacing blogs and websites. With growth, engagement, and revenue-generating features all in one place, a Mighty Network employs proprietary algorithms and smart technology to instantly organize members by their location, by the topics they choose, and by the categories they define, generating orders of magnitude more engagement for brands. Gina also serves on the board of directors of Scripps Networks (NASDAQ: SNI). Before Mighty Networks Gina and Netscape co-founder Marc Andreessen launched
