Innovative Mindful Solutions explores the stressors involved in today's fast-paced, technologically driven workplace. The stress is burning out good people at unprecedented rates. The effects are overflowing into all aspects of our lives, affecting our families, our relationships, as well as our mental and physical health. Today's show will introduce listeners to Innovative Mindful Solutions and give them insight into our background, expertise, and creation of this new way of approaching how we do business. We will also discuss vital skills that we believe every business person need
