Dr. Candace Drummond

Dr. Drummond recently completed her doctoral degree in clinical psychology from Carlos Albizu University, she also has 2 master's degrees in mental health counseling and clinical psychology. She is a licensed mental health counselor with over 10 years experience doing therapy and testing with a multitude of populations including severe mental illness, homeless and incarcerated clients. She has also ran a large mental health crisis facility in west palm beach for a year, and has been executive director of a national organization for homeless and runaway youth. Currently Dr. Drummond is completing post doc residency in an effort to be a licensed psychologist.
