Featured Guests

Mary Knippel

Best-selling author Mary E. Knippel, *Writer Unleashed* at YourWritingMentor.com, publisher at Authentic Grace Publishing and inspirational speaker, is fiercely committed to guiding you to leverage your impact through writing. Because No one can tell your story but YOU, Mary invites you to take pen in hand to Unleash Your Story Worth Writing. Mary empowers reluctant writers to build relationships online whether blog or a bio and all the options in between, to tell the story only they can tell. Working as a journalist for over 30 years, and a journal keeper since the age of 11, Mary knows the enormous power and healing capabilities of the written word. A two-time breast cancer survivor, she c

Lorraine Giordano

Lorraine Giordano is an intuitive energy healer shifting the way women connect to down there. Lorraine is passionate about sharing ways for women to connect to their own healing and creative energy. Due to the threat of losing her uterus in 2008, she realized how much she didn't know about her body – especially her female reproductive organs. Not willing to give up her uterus, she put Operation Save Uterus into action and learned how to reclaim her health. Lorraine is an Usui Reiki Master and certified in Quantum Energy Transformation, Quantum Touch and Integrated Energy Therapy. Lorraine won the Best of Award 2015 by Thumbtack for Reiki Masters in NYC and in 2013 & 2016 she won a

Sandra Edwards

Sandra Edwards is a certified intuitive Hand Analyst. She focuses on life purpose discovery and personality style rather than prediction of the future. Helping people through life transitions has been Sandra's focus and mission for more than 40 years, beginning with a 30 year career helping people through their divorce process, and now as a Hand Analyst with guidance based on the information in their own hands. Sandra is certified by The International Institute of Hand Analysis of San Francisco, and has completed a graduate program at the Apposta School in Los Angeles. She is focused on the continual self-discovery and evolution of the human experience and its application to
