### Breaking Banks Fintech Thursday at 12 Noon Pacific December 07th 2017: Digitalizing the Bank

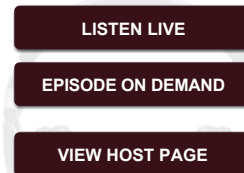

For a long while, it was imagined that Fintechs would completely disrupt the banks, replacing a system laden with legacy technologies. A few years ago, it became very apparent that banks and fintechs would need to partner to be successful. Most fintechs needed bank partnerships to scale significantly. And most banks needed the innovation and imagination that fintechs brought with them in order to reimagine themselves as customer centric. We are seeing many versions of this partnership: Open APIs, platformification within banks. Platforms or Marketplaces outside of banks. Accelerator
