## The Power of Natural Healing Monday at 11 AM Pacific

**December 11th 2017: Gilbert Hakim, DC, and chiropractic healing**

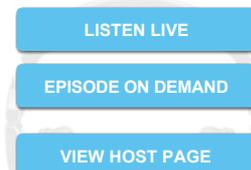

There are many paths to healing, including chiropractic. But in the end, all paths, no matter where they begin, lead to the central principle that the human body is designed, and functions best, when it is able to do what it is supposed to do, and that is maintain homeostasis, or "good health". Every healer who observes his patients, and pays attention to their responses, will eventually come to the conclusion that properly feeding the body, removing the poisons that people have accumulated, and making sure that joints and nerves are properly functioning will result in optimum health over th

### Featured Guest

#### Gilbert Hakim, DC

Dr. Gilbert Hakim has been a chiropractor for 29 years. His initial business was in Southern California where he also worked on the set of numerous movies and had a clientele of sport and Hollywood celebrities. He is a certified accident reconstructionist, specializing in back, sciatica, neck, shoulder, and sports injuries, and the chiropractic treatment of dogs. Wanting to get away from the hustle and bustle of Los Angeles and being a vintage car racer and enthusiast, Gilbert and his wife moved their family to the Monterey Peninsula and opened an office there in 2011. Dr. Hakim has an impressive record of healing those cases that have not responded well to traditional medical care.
