December 14th 2017: Happily Ever After

Have you ever been to Disneyland or Disneyworld? If you have, you know it is a magical place. It's called "The Magic Kingdom" for a reason. If you doubt that it is truly magic, simply look at the faces of the children who visit there. And, if you have been there yourself you benefited from the work of Jody Jean Dreyer. She visited there in 1971 soon after it opened. That was the beginning of a 30-year career with Disneyland. We will talk about her work with Disney and about her newly released book, "Beyond the Castle." She will help you identify your own personal "Happily Ever After."
