

Innovating Leadership, Co-Creating Our Future

Tuesday at 11 AM Pacific

February 13th 2018: How Would We Lead If We Believed Humans Were A Peaceful Species?

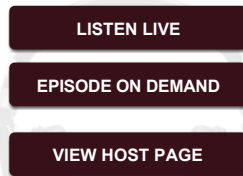

During this conversation, we talk about peacefulness – and leading toward an increased level of peacefulness. We explore the idea as humans as a peaceful species – and his search for communities that are already peaceful to emulate. We talk about a broad range of topics focusing on living in turbulent times and Mike’s reflections cultivated from a very successful career working across the globe. 1. We are defined by our self-awareness and our connection with others. We must be able to shift our selves and cultures as the world changes. 2. If we are not adapting our world view, we w
