Innovating Leadership, Co-Creating Our Future

Tuesday at 11 AM Pacific

March 6th 2018: Values and Story Telling to Deliver Results

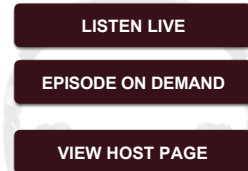

Michelle talks about what is most important in creating sustainable success. This includes understanding the current challenges they are facing from insight to execution. Additionally, she helps them anticipate the challenges they will face. She talks about the first of its kind report that Kantar Public released at Davos focusing on the challenges governments face across the planet and how the current loss of trust impacts their ability to navigate current challenges. Sebastian's work takes leaders and their teams to the new levels of performance and business results. He provides leaders
