Are you expressing love in a way that can be received? If you don't know your partner's love language, even your most well-intentioned efforts may fall flat. Learn about a simple but powerful tool that can transform your love life! Dawn Davidson, internationally recognized for her cutting edge discussions on love, infuses the 5 Love Languages, by Gary Chapman with a fresh look on today's ways of communicating love. What are the 5 Love Languages? And what do they look like when manifested? Find out and your interactions will go much more smoothly! Discovering your own primary Love L
