February 06th 2018:GDPR Is Coming: Coping Strategies to Get Ready

The buzz: "We are all 'data subjects' and we live in a world where key aspects of our lives will be ever more determined by the data held about us...where that same data is more at risk and open to compromise than ever" (GDPR – The Good, the Bad and the Ugly", Tripwire). GDPR takes effect on May 25, 2018, requiring organizations to safeguard the personal data they're handling of European Union citizens and residents – whether or not the company is operating on the continent. Non-compliance will incur steep fines. It's almost time. Need help? The experts speak. Jeff Sanchez, Protiviti: "Every s
