Task Force 7 Cyber Security Radio Monday at 5 PM Pacific February 19th 2018:U.S. Intelligence Officials: The United States is Under Attack

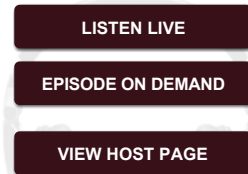

Host George Rettas provides commentary on the recent Intelligence Committee Hearings where the Chiefs of America's Intelligence Agencies warn Senators that Cyber Security is a threat to the National Security of the United States and that the United States is under constant attack from other nation states. Rettas also interviews International Lawyer, Cyber Security Expert and CNN Commentator Adriana Sanford on Data Security, Data Privacy, and how concerned companies should be regarding the competing and sometimes conflicting regulation and legislation in the data protection and privacy

Featured Guest

Adriana Sanford

Adriana Sanford is a Chilean American author, international TV commentator, Georgetown-educated international lawyer, professor, internationally-recognized privacy/cybersecurity scholar, and a humanitarian. Sanford recently coauthored the 2018 security book Women in Security Changing the Face of Technology and Innovation, which is part of the Women in Engineering and Sciencebook series. Sanford's chapter, "A Guide for CEOs and Board of Directors on Multi-jurisdictional Legal Issues", discusses the global ramifications of multi-jurisdictional conflicts under the new security landscape. Sanford is a regularly featured subject matter expert (SME) on CNN Dinero at CNN en Español, the
