New Episodes Weekly
February 28th 2018: Andrea Zintz on Shaping, Stimulating and Supporting Innovation

What does it take for leaders to encourage or even cause innovation in their organizations today? It takes a strategic focus and a rigorously applied set of ongoing actions across and through the organization. The right mix of talent and the conversational tone and culture are potent components of the ingredient mix as a platform to launch innovation. To stimulate the environment toward ongoing innovation, leaders will need to cast meaningful and inspiring visions and purposely engage in two-way dialogue with the team members. Leadership assessment and development, strong change management, an
