### Featured Guests

#### Joe Nunziata

Joe Nunziata is a best-selling author, spiritual life and business coach, and professional speaker who teaches that to make permanent changes you must clear your negative energy and break destructive patterns of behavior at the core level. The transformational process that Joe developed enables people to create new energy and beliefs designed to achieve sustained, positive growth in all areas of life. Since 1992, Joe has been delivering his life-changing message at events and seminars. His programs blend spirituality, psychology, philosophy and the power of internal energy. He has appeared on many television and radio programs including Good Day New York and Street Talk on Fox TV, Cablev

#### Monica Amadio

Monica Amadio has accrued more than 15 years' experience as an educator in information technology and STEAM (Science Technology Engineering Art & Math) at the Atlantic County Institute of Technology. She also developed and taught classes in Entrepreneurship and Financial Literacy. In 2006, Amadio was one of 10 Information Technology professionals selected by the National Academy Foundation (NAF), a NYC-based non-profit for education reform founded by Citigroup Chairman Emeritus, Sanford Weill, to develop curriculum affecting more than 20,000 students annually nationwide. She has a passion for vocational education and a firm belief that students must be prepared for both college and career

#### Larry Masi

Larry Masi is the Founder and CEO of QuantumCash and Co-Founder of Earning Social, two disruptive online cloud solutions. With vast experience in high-velocity real estate presales, through which he successfully sold out multi-million-dollar projects in a single day, Larry transitioned his marketing expertise to online ventures. He was the creator of the World's First Virtual Mall, prior to the internet being available to the public. Larry is preparing to tackle one of the biggest financial problems facing the nation and the entire Millennial generation: The National Student Debt Crisis is a gargantuan problem of epic proportions. Mr. Masi maintains that by teaching young people how to ea
