March 23rd 2018: The Man Who Changed My Career: Rob Thomsett

As a young project manager, I was becoming frustrated with the process. I was on the verge of quitting. I was literally walking through the book store looking at job titles wondering what to do next. I then came across a book called "Radical Project Management" by Rob Thomsett. It changed my entire career. It was the first book that taught me how to really approach project management while utilizing humor at the same time. It is also the first book that discussed Agile. I read the book cover to cover and have quoted from it in almost every speech since. I reached out to Rob as a young
