The Power of Natural Healing Monday at 11 AM Pacific

April 09th 2018: What do you do when you don't have time for the pain?

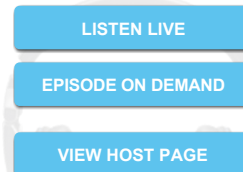

This was the tag line for a commercial for pain killers. The question is a bigger one, though. Why are we, as a culture, in so much pain all the time. If you think about it, we are terribly prone to addiction, constantly self-medicating with toxic substances (alcohol, tobacco, drugs). Why is this the case? The best-selling class of OTC (over the counter) pharmaceuticals sold in the US is analgesics (pain killers). Most of the opioid abuse that is sweeping the country starts out coming from licensed physicians and hospitals treating injury or post-operative patients. Why are so many succum
